About the College

Bharath College of Science and Management affiliated to Bharathidasan University, Tiruchirappalli is functioning from the academic year 2000-2001. Bharath College is a self - financing college run by K. Nadimuthu Memorial Educational Trust and sanctioned by the Government of Tamilnadu vide G.O.No.168, Higher Education dt. 30.05.2000.

To promote patriotism in the young minds of our students, the college has been rightly named as Bharath College of Science and Management.

About the Departments

The Departments of Computer Science and Information Technology and was started in the year 2001. The academic activities of the departments are centered on teaching, seminar, workshops, etc. completing a degree in Information Technology from ETSU gives you a sense of accomplishment, career satisfaction and endless possibilities. The department strives to impart knowledge and enlighten the students in all possible avenues.

The Department of Computer Applications strive for strengthening the students to build a prosperous society and

also contribute to the IT fields by conducting seminar most frequently. These departments have excellence by securing top ranks in the university and also our students got placement in various companies. At present we have a good team of faculty members dedicated to the cause of higher education.

The department of Mathematics was established in the year of inception of the college in 2005-2006. It was upgraded as PG department in 2013-2014. The M.Phil. programme will also be offered in future. The department consists of experienced and qualified staff members aims at promoting excellence in teaching and learning and imparting quality education

About FDP

The programme intends to explore the different models of learning and dive into key issues that impact students, teachers, and institutions of Higher Education. Specifically, we plan to look at these issues by integrating the conceptual backgrounds and different schools of pedagogical development with the technological applications used for building an interactive and effective learning curriculum. Flipped classroom Personalized learning Micro-teaching methods Concept mapping Strategies for improving peer-to-peer

learning experience Blended learning model Think-pair-share strategies Overall, the Faculty Development Programme is an effort to probe into the different limitations which Faculties of Higher Education face and find the alternatives to overcome them by focusing on the fundamentals that have the greatest impact on student learning
