About the College

Bharath College of Science and Management affiliated to Bharathidasan University, Tiruchirappalli is functioning from the academic year 2000-2001. Bharath College is a self - financing college run by K. Nadimuthu Memorial Educational Trust and sanctioned by the Government of Tamilnadu vide G.O.No.168, Higher Education dt. 30.05.2000.

To promote patriotism in the young minds of our students, the college has been rightly named as Bharath College of Science and Management.

About the Departments

The Departments of Computer Science and Information Technology and was started in the year 2001. The academic activities of the departments are centered on teaching, seminar, workshops, etc. completing a degree in Information Technology from ETSU gives you a sense of accomplishment, career satisfaction and endless possibilities. The department strives to impart knowledge and enlighten the students in all possible avenues.

The Department of Computer Applications strive for strengthening the students to build a prosperous society and

also contribute to the IT fields by conducting seminar most frequently. These departments have excellence by securing top ranks in the university and also our students got placement in various companies. At present we have a good team of faculty members dedicated to the cause of higher education.

The Department of Fashion Technology is all set to mould the future of enthusiastic aspirants to the exciting world of garments and fashion. During the comprehensive degree programme which, we believe, is one of the best in the country, we provide the participants with intensive training in modern technologies that encompass the latest trends and equip them with a variety of skills to face the stiff competition in the global market of apparel and fashion.

About FDP

Faculty development is a critical process, enabling instructors to remain abreast of new discipline specific content and innovations in the scholarship of teaching and learning. The explosion of online higher education and advances in technology provide examples and rationale for why faculty development for e-learning is needed. Literature on faculty development and e-learning is reviewed and a multi-campus faculty development program using distance

technology and a community of practice model for nursing educators will be described. Successful strategies, barriers and an evaluation of the multi-campus faculty development model experience will be presented in a format that allows for replication across disciplines.
