LANGUAGE LABORATORY

REPORT (2021-2022)

Language Laboratory is a self-learning device. It enables the learner to hear the language spoken from recorded tapes and to practice speaking in the same manner. The language lab concentrates on listening and speaking, leaving the others to processes reading and writing to be developed later. While speaking it aims at the development of correct pronunciation, intonation and accent.

Language Laboratory allows students to practice the language with the much wider variety of activities and exercises based on the computers. It offers students a structured e-learning environment that is successful and reliable and also allows much time for oral and auditory experiences.
