PRASARTECH SOFTWARE SOLUTIONS

Prasartech is a professional website designing company which offers quality website designing that are interactive and engaging. Our experience in development of web applications and web sites proved with a great deal of successfully completed projects and references from our customers. Thinking of web application development for your e-commerce ideas? Come to us. We will make your ideas and thoughts into web application based on your business needs. We offer most powerful windows application softwares. According to the customer requirements, we provide windows applications that run on single computer, may not require Internet access, users can access from remote location with laptop/PC. Based on the various business needs, we provide efficient, user friendly reliably billing software. We offer maintenances for the billing software and can modify the customer needs.

Prasartech project and solution is an IT based Training and software development. We are the global IT solutions provider offering various customized solutions for small, medium and large businesses. We provide end to end services in the areas of Web Application Development, Website Designing, Embedded Systems, VLSI Designs, Corporate profile and presentations, E-commerce solutions, Application Development, maintenances and re-engineering, web hosting solutions, Mobile web application development and Flash Animation Development. We offer next generation of communication technology, live moments, events, decisions, interactions and capacity in sync with personal context, desire and need through the real time projects. It is used to understand the social dynamics and business implication of real time, and to activate the real time thinking across broad range of sectors.

BHARATH COLLEGE OF SCIENCE AND MANAGEMENT

Bharath College of Science and Management affiliated to Bharathidasan University, Trichirappalli is functioning from the academic year 2000-2001. Bharath College of Science and Management is a self-financing college run by K.Nadimuthu Memorial Educational Trust and approved by the Government of Tamilnadu vide G.O.No.168, Higher Education dt. 30.05.2000. To promote patriotism in the young minds of our students, the college has been rightly named as Bharath College of Science and Management.

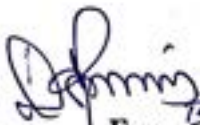

- The purpose of this MOU is to develop academic and educational co-operation between both the parties.
- This is to promote enhanced knowledge for the students by providing them final year projects.
- Exchange of staffs for training.
- To conduct the events like seminar, workshops, conferences etc.
- To support software assistances between the parties.

Terms and Agreement:

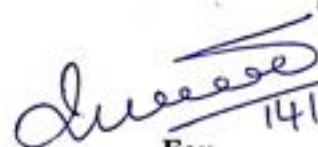

- The person signing this MOU has the full authority to change or modify this agreement on both parties.
- The MOU is valid for 5 years from the date of agreement.

Signatories:

Witness hereof, the parties here to have signed this MOU in two original in English on the date(s) herein below indicated.

About the College

Bharath College of Science and Management affiliated to Bharathidasan University, Tiruchirappalli is functioning from the academic year 2000-2001. Bharath College is a self - financing college run by K. Nadimuthu Memorial Educational Trust and sanctioned by the Government of Tamilnadu vide G.O.No.168, Higher Education dt. 30.05.2000.

To promote patriotism in the young minds of our students, the college has been rightly named as Bharath College of Science and Management. The Vision of the college is to provide an idyllic environment of affection and care in the excellence in technical education, scientific and research to serve as a valuable resource for industry and society and remain a source of pride for inclusive growth of the society.

About the Department

The Department Computer Applications, was started in the year 2001. The academic activities of the departments are centered on teaching, seminar, workshops, physical activities etc. Completing a degree in Computer applications from BCSM gives you sense of accomplishment, career satisfaction endless possibilities. The Department strives to impart knowledge and enlighten the students in terms of all avenues and admit a diverse, talented and promising student body and prepare them for the competitive world and fight for what they want.

The Department Association "FOCAL ASSOCIATION" to motivate and inculcate our younger generation about the innovation and challenges in computer science, by conducting the seminar, workshop, training program for students.

Mission and Vision

Impart knowledge and enlighten the students in all avenues pertaining to computer science. Provide a firm foothold into the IT Industry. Inculcate professional excellence logical thinking and analytical ability by giving exposures to application - oriented education. Focus on inculcating ethical value to the students.

About the seminar

Futuristic Challenges Of Fog Computing, the aim of this Seminar is to bring students, industrialists and Academicians to present the state of their learning.

Bharath College of Science and Management affiliated to Bharathidasan University, Tiruchirappalli is functioning from the academic year 2000-2001. Bharath College is a self - financing college run by K. Nadimuthu Memorial Educational Trust and sanctioned by the Government of Tamilnadu vide G.O.No.168, Higher Education dt. 30.05.2000.

To promote patriotism in the young minds of our students, the college has been rightly named as Bharath College of Science and Management. The Vision of the college is to provide an idyllic environment of affection and care in the excellence in technical education, scientific and research to serve as a valuable resource for industry and society and remain a source of pride for inclusive growth of the society.

About the Department

The Department Computer Applications, was started in the year 2001. The academic activities of the departments are centered on teaching, seminar, workshops, physical activities etc. Completing a degree in Computer applications from BCSM gives you sense of accomplishment, career satisfaction endless possibilities. The Department strives to impart knowledge and enlighten the students in terms of all avenues and admit a diverse, talented and promising student body and prepare them for the competitive world and fight for what they want.

The Department Association "FOCAL ASSOCIATION" to motivate and inculcate our younger generation about the innovation and challenges in computer science, by conducting the seminar, workshop, training program for students.

Mission and Vision

Impart knowledge and enlighten the students in all avenues pertaining to computer science. Provide a firm foothold into the IT Industry. Inculcate professional excellence logical thinking and analytical ability by giving exposures to application - oriented education. Focus on inculcating ethical value to the students.

About the Workshop

Quantum Machine Learning, the aim of this Workshop is to bring students, industrialists and Academicians to present the state of their learning.

About the College

Bharath College of Science and Management affiliated to Bharathidasan University, Tiruchirappalli is functioning from the academic year 2000-2001. Bharath College is a self - financing college run by K. Nadimuthu Memorial Educational Trust and sanctioned by the Government of Tamilnadu vide G.O.No.168, Higher Education dt. 30.05.2000.

To promote patriotism in the young minds of our students, the college has been rightly named as Bharath College of Science and Management.

The Vision of the college is to provide an idyllic environment of affection and care in the excellence in technical education, scientific and research to serve as a valuable resource for industry and society and remain a source of pride for inclusive growth of the society.

About the Department

The Department Computer Applications, was started in the year 2001. The academic activities of the departments are centered on teaching, seminar, workshops, physical activities etc. Completing a degree in Computer applications from BCSM gives you sense of accomplishment, career satisfaction endless possibilities. The Department strives to impart knowledge and enlighten the students in terms of all avenues and admit a diverse, talented and promising student body and prepare them for the competitive world and fight for what they want.

The Department Association "FOCAL ASSOCIATION" to motivate and inculcate our younger generation about the innovation and challenges in computer science, by conducting the seminar, workshop, training program for students.

Mission and Vision

Impart knowledge and enlighten the students in all avenues pertaining to computer science. Provide a firm foothold into the IT Industry. Inculcate professional excellence logical thinking and analytical ability by giving exposures to application - oriented education. Focus on inculcating ethical value to the students.

About the Workshop

Jump Start Robotics, the aim of this Workshop is to bring students, industrialists and Academicians to present the state of their learning.
