ABOUT THE WORKSHOP

Focus of the workshop will be to help the Participants learn Multivariable analysis and its different options. It is used in regression analysis to drive formula for estimating relationships among various sets of empirical data. Multivariable calculus is used in many fields of natural and social science that exhibit deterministic behavior.

ABOUT THE COLLEGE

Bharath College of Science and Management, (Affiliated to Bharathidasan University, Tiruchirappalli) was established July 2000 by K.Nadimuthu Memorial Educational Trust which is registered under the Indian Trust Act. An educationist "Manithaneya Kalviyalar" Shri. N.Ganesan, M.Com., M.Phil., (Ph.D)., started Indian Institute of Catering Technology and Hotel Management which is the leading and first Institute of its kind since 1993 in Thanjavur and Southern Part of Tamilnadu. Our College function with the mission of providing modern education to development Entrepreneurial skills among youths with the objective of **"BE A JOB MAKER; NOT A JOB SEEKER"** and also eliminate poverty in India through educating the concepts of Management, Software, Health and Hospitality. The College offers 13 UG Courses, 11 PG Courses, 4 M.Phil., Courses and 1 Diploma Course.

The Dynamics of today's global business environment alerts us the need of innovative skills for success with a concern to this need. We provide theoretical along with practical learning to manage the students to structure them in facing the growing world.

ABOUT THE DEPARTMENT

Department of Mathematics was established in the academic year 2006-2007. It has been recognized as well renowned and prestigious department with its outstanding academic achievements made during the past decades. The main goal is to produce professional mathematicians who will be able to study and solve scientific and technological issues using mathematical methods as well as carry out research in different sectors of this sphere. The faculty members help students in acquiring a conceptual understanding of the nature and structure of Mathematics, its processes and applications.

ABOUT THE WORKSHOP

This workshop would help participants to apply the concepts of variants of domination to the problems in the respective discipline; to get the knowledge required to choose this leading domain as a research area, and the research directions for working with new variants of the domination in graphs.

ABOUT THE COLLEGE

Bharath College of Science and Management, (Affiliated to Bharathidasan University, Tiruchirappalli) was established July 2000 by K.Nadimuthu Memorial Educational Trust which is registered under the Indian Trust Act. An educationist "Manithaneyakalviyalar" Shri. N.Ganesan, M.Com., M.Phil., (Ph.D), started Indian Institute of Catering Technology and Hotel Management which is the leading and first Institute of its kind since 1993 in Thanjavur and Southern Part of Tamilnadu. Our College function with the mission of providing modern education to development Entrepreneurial skills among youths with the objective of "BE A JOB MAKER; NOT A JOB SEEKER" and also eliminate poverty in Indian through educating the concepts of Management, Software, Health and Hospitality. The College offers 13 UG Courses, 11 PG Courses, 4 M.Phil., Courses and 1 Diploma Course.

The Dynamics of today's global business environment alerts us the need of innovative skills for success with a concern to this need. We provide theoretical along with practical learning to manage the students to structure them in facing the growing world.

ABOUT THE DEPARTMENT

Department of Mathematics was established in the academic year 2006-2007. It has been recognised as well renowned and prestigious department with its outstanding academic achievements made during the past decades. The main goal is to produce professional mathematicians who will be able to study and solve scientific and technological issues using mathematical methods as well as carry out research in different sectors of this sphere. The faculty members help students in acquiring a conceptual understanding of the nature and structure of Mathematics, its processes and applications.

ABOUT THE WORKSHOP

Focus of the workshop will be to help the Participants learn Real analysis and stems from the concept of the real numbers. where each numbers on the real number line are understood as partitions with infinite enumerations. It tries to analyze the relationship between partitions. Its application can be clearly seen in the computer world, engineering, etc.

ABOUT THE COLLEGE

Bharath College of Science and Management, (Affiliated to Bharathidasan University, Tiruchirappalli) was established July 2000 by K.Nadimuthu Memorial Educational Trust which is registered under the Indian Trust Act. An educationist "Maniathaneya Kalviyalar" Shri. N.Ganesan, M.Com., M.Phil., (Ph.D), started Indian Institute of Catering Technology and Hotel Management which is the leading and first Institute of its kind since 1993 in Thanjavur and Southern Part of Tamilnadu. Our College function with the mission of providing modern education to development Entrepreneurial skills among youths with the objective of "BE A JOB MAKER; NOT A JOB SEEKER" and also eliminate poverty in Indian through educating the concepts of Management, Software, Health and Hospitality. The College offers 13 UG Courses, 11 PG Courses, 4 M.Phil., Courses and 1 Diploma Course.

The Dynamics of today's global business environment alerts us the need of innovative skills for success with a concern to this need. We provide theoretical along with practical learning to manage the students to structure them in facing the growing world

ABOUT THE DEPARTMENT

Department of Mathematics was established in the academic year 2006-2007. It has been recognised as well renowned and prestigious department with its outstanding academic achievements made during the past decades. The main goal is to produce professional mathematicians who will be able to study and solve scientific and technological issues using mathematical methods as well as carry out research in different sectors of this sphere. The faculty members help students in acquiring a conceptual understanding of the nature and structure of Mathematics, its processes and applications.

ABOUT THE WORKSHOP

This workshop aims to provide a broad review of NETWORK SECURITY AND CRYPTOGRAPHY, with particular regard to digital signatures. Also, to provide an insight into recent developments in the field of Network Security and Cryptography. However, a general overview of Network Security and Cryptography is provided and various algorithms are discussed. A detailed review of Network Security and Cryptography in digital signature is then presented.
