### About the College

Bharath College of Science and Management affiliated to Bharathidasan University, Tiruchirappalli is functioning from the academic year 2000-2001. Bharath College is a self-financing college run by K. Nadimuthu Memorial Educational Trust and sanctioned by the Government of Tamilnadu vide G.O. No.168, Higher Education dt. 30.05.2000.

To promote patriotism in the young minds of our students, the college has been rightly named as Bharath College of Science and Management. Our College functions with the mission of providing modern education to develop entrepreneurial skills among youths with the objective of "Be a Job Maker, Not a Job Seeker". The College offers 13 UG courses, 11 PG Courses, 4 M.Phil., Courses, 2 Ph.D courses and 1 Diploma Course in new and emerging disciplines such as Hotel Management, Information Technology, Nutrition and Dietetics, Fashion Technology, Visual Communication, Computer Science, Literature, Business Administration and Commerce.

### About the Department

The Department of Information Technology which was started in the year

2001 offers B.Sc and M.Sc Programs in Information Technology. The academic activities of the department are centered on teaching, seminar, workshops, etc. The department has a team of Qualified Teachers. The department has 200 Computer Systems with dedicated leased line Internet facility. Wi-Fi is also provided in the Campus. In addition to the general library, the department has a separate library. The department strives to impart knowledge and enlighten the students in all possible avenues. The department has produced top ranks in the university and also our students got placement in various companies.

### Mission and Vision

Impart knowledge and enlighten the students in all avenues pertaining to computer science. Provide a firm foothold into the IT industry. Inculcate professional excellence logical thinking and analytical ability by giving exposures to application - oriented education. Focus on inculcating ethical value to the students

### About the Workshop

Workshop on "NETWORK TRICKS" is a design for websites which uses other inbuilt software, modules or features aimed

at creating an environment for a website or web application user to be actively engaged during visit or use as the case may be, thereby improving his or her user experience.

It is important for you to know your clients very well before building to help in your choice of contents, layouts, features and modules used to create an interactive look. Not doing this may result in designs without enough useful contents to serve visitors or users in response to their inputs or engagement efforts.

Inculcate professional excellence logical thinking and analytical ability by giving exposures to application-oriented education. Focus on inculcating ethical value to the students.

### About the Workshop

Workshop on "SMART PHONES HACKS AND TRICKS" There is no need to manually hack someone's phone. You do not even need to know their phone's password to hack into their device. You do not need any such thing to know how to hack a phone of someone. On Android, if you use Google Photos, tap the app, select "Library," and then "Trash." Deleted photos you've backed up get stored here for 60 days, giving you ample time to reconsider. To restore one, hold your finger on the image in the trash and then select "Restore."
