About the College

Bharath College of Science and Management affiliated to Bharathidasan University, Tiruchirappalli is functioning from the academic year 2000-2001. Bharath College is a self-financing college run by K. Nadimuthu Memorial Educational Trust and sanctioned by the Government of Tamilnadu vide G.O.No.160, Higher Education dt. 30.05.2000.

To promote patriotism in the young minds of our students, the college has been rightly named as Bharath College of Science and Management. Our College functions with the mission of providing modern education to develop entrepreneurial skills among youths with the objective of "Be a Job Maker; Not a Job Seeker". The College offers 13 UG courses, 11 PG Courses, 4 M.Phil. Courses, 2 Ph.D courses and 1 Diploma Course in new and emerging disciplines such as Hotel Management, Information Technology, Nutrition and Dietetics, Fashion Technology, Visual Communication, Computer Science, Literature, Business Administration and Commerce.

About the Department

The Department of Information Technology which was started in the year 2001 offers B.Sc and M.Sc Programs in Information

Technology. The academic activities of the department are centered on teaching, seminar, workshops, etc. The department has a team of Qualified Teachers. The department has 200 Computer Systems with dedicated leased line Internet facility. Wi-Fi is also provided in the Campus. In addition to the general library, the department has a separate library. The department strives to impart knowledge and enlighten the students in all possible avenues. The department has produced top ranks in the university and also our students got placement in various companies.

About the Webinar

Webinar offers the students with important practical knowledge and skills and encourage them in becoming a successful and best professional engineer. The main objectives of the webinar- "Java - Industrial Expectations in Global Perspective" is to provide the best and relevant theoretical knowledge to gain in a particular time period.

This program also aims to provide the program related to different and relevant knowledge, like PHP, My SQL, Mobile app, company internship, marketing and sales and the HR & recruitment. The industrial training also provides opportunities for publishing it to the professional working world, which will make graduates more

focused and appreciative of the hopes and expectations that the industry has for them. This program will also provide students with real work experience.

SEMINAR REPORT 2021-2022

Seminar Topic : OPEN SOURCE TECHNOLOGIES

Resource Person : Dr. K.THIYAGARAJAN, MCA., M.Phil., Ph.D.,
Assistant Professor
Department of Software Engineering,
Periyar Maniyammai University,
Thanjavur.

Date : 04/10/2021

No. of Students benefitted : 63

When something is referred to as "open source", it means that people can modify and share the code because its design is publicly accessible. Anybody can modify the code to suit their own needs. Linux, Android, Wordpress, GIS, Liferay are some of the Open Source Technologies widely used. The Workshop trained the students to access the Open Source Software.

About the College

Bharath College of Science and Management affiliated to Bharathidasan University, Tiruchirappalli is functioning from the academic year 2000-2001. Bharath College is a self - financing college run by K. Nadimuthu Memorial Educational Trust and sanctioned by the Government of Tamilnadu vide G.O.No.168, Higher Education dt. 30.05.2000.

To promote patriotism in the young minds of our students, the college has been rightly named as Bharath College of Science and Management Our College functions with the mission of providing modern education to develop entrepreneurial skills among youths with the objective of "Be a Job Maker; Not a Job Seeker". The College offers 13 UG courses, 11 PG Courses, 4M.Phil., Courses, 2 Ph.D courses and 1 Diploma Course in new and emerging disciplines such as Hotel Management, Information Technology, Nutrition and Dietetics, Fashion Technology, Visual Communication, Computer Science, Literature, Business Administration and Commerce.

About the Department

The Department of Information Technology which was started in the year 2001 offers B.Sc and M.Sc Programs in Information Technology. The academic activities of the department are centered on teaching, seminar, workshops, etc. The department has a team of Qualified Teachers .The department has 200 Computer Systems with dedicated leased line Internet facility. Wi-Fi is also provided in the Campus. In addition to the general library, the department has a

separate library. The department strives to impart knowledge and enlighten the students in all possible avenues. The department has produced top ranks in the university and also our students got placement in various companies.

Mission and Vision

Impart knowledge and enlighten the students in all avenues pertaining to computer science. Provide a firm foothold into the IT Industry. Inculcate professional excellence logical thinking and analytical ability by giving exposures to application – oriented education. Focus on inculcating ethical value to the students

About the Workshop

Three days online technical Workshop on JUMP START ROBOTICS is a day chock full of training sessions for first robotics student, mentors, and parents. The event is organized to equip FRC teams of all levels to help bring their students, parents, and mentors up to a point where they are ready to tackle the challenges of first robotics competition. The goal of robotics is to design machines that can help and assist humans. robotics integrates fields of mechanical engineering, software engineering.

WORKSHOP REPORT 2021-2022

Topic : **Jump Start Robotics**
Date : 15/09/2021 to 17/09/2021
Resource Person : **Mr Ayngaran adalarasu**
Project Director & Trainer
JUMP START ROBOTICS, BANGALORE.
Students attended : 63

A three days Robotics workshop was very interesting. Students were taught the basic functions, circuits and their connections. The students were taught the concepts of electronics and electricity. They also learn about the mechanics by the way of the motion of robots and different parts of it. This also makes way for the learning of various physical and mathematical concepts.

Robotics kits were given to the students at home and built projects under the guidance. Obstacle sensor Robots, Light sensor robots were built by the students.

WORKSHOP REPORT

TOPIC : PYTHON PROGRAMMING
DATE : 28/12/2020
RESOURCE PERSON : MR.A.SRIDHAR, M.C.A
PROJECT MANAGER,
COROMANDEL INFOTECH, HYDERABAD

STUDENTS ATTENDED : 57

The One day Workshop on Python Programming started with Git and Github version control systems and advantages of git and github. The workshop resource person initially focused on introduction to python, its features and applications. The students got a chance to learn python data types, operators, control structures, functions, data structures, modules, packages, oops concepts, files, libraries of Data science thoroughly. Meanwhile the queries raised by the students were also answered in an efficient way in all the sessions by the resource persons.

The workshop participants were able to successfully code and run their programs. The workshop turned out to be a major successful event, imparting lot of knowledge about python programming and how to solve simple problems with python programming.

About the College

Bharath College of Science and Management affiliated to Bharathidasan University, Tiruchirappalli is functioning from the academic year 2000-2001. Bharath College is a self - financing college run by K. Nadimuthu Memorial Educational Trust and sanctioned by the Government of Tamilnadu vide G.O.No.168, Higher Education dt. 30.05.2000.

To promote patriotism in the young minds of our students, the college has been rightly named as Bharath College of Science and Management Our College functions with the mission of providing modern education to develop entrepreneurial skills among youths with the objective of "Be a Job Maker; Not a Job Seeker". The College offers 13 UG courses, 11 PG Courses, 4M.Phil., Courses, 2 Ph.D courses and 1 Diploma Course in new and emerging disciplines such as Hotel Management, Information Technology, Nutrition and Dietetics, Fashion Technology, Visual Communication, Computer Science , Literature, Business Administration and Commerce.

About the Department

The Department of Information Technology which was started in the year

2001 offers B.Sc and M.Sc Programs in Information Technology. The academic activities of the department are centered on teaching, seminar, workshops, etc. The department has a team of Qualified Teachers .The department has 200 Computer Systems with dedicated leased line Internet facility. Wi-Fi is also provided in the Campus. In addition to the general library, the department has a separate library. The department strives to impart knowledge and enlighten the students in all possible avenues. The department has produced top ranks in the university and also our students got placement in various companies.

Mission and Vision

Impart knowledge and enlighten the students in all avenues pertaining to computer science. Provide a firm foothold into the IT Industry. Inculcate professional excellence logical thinking and analytical ability by giving exposures to application - oriented education. Focus on inculcating ethical value to the students

About the Workshop

Workshop on "INTERNET OF THINGS" The internet of things, or IoT, is a system of interrelated computing devices, mechanical and digital machines, objects, animals or people that are provided

with unique identifiers (UIDs) and the ability to transfer data over a network without requiring human-to-human or human-to-computer interaction.

An IoT ecosystem consists of web-enabled smart devices that use embedded systems, such as processors, sensors and communication hardware, to collect, send and act on data they acquire from their environments.

WORKSHOP REPORT

Topic : Internet of Things
Date : 24/09/2020
Resource Person : E. PRADHAP, B.E.,
Senior Software Engineer,
Pantech Protocol Pvt, Ltd,
Trichy.

Students attended : 57

In this workshop students learned Streamline IoT operations with an outsourced, best-in-class PKI that reduces cost and risk. Ensure the integrity and security of data from sensors and other connected devices. Also learned more about IOT, it's business opportunities and convincing location factors. Invest in IOT where a strong industry is combined with ground breaking technology.

About the Webinar

One Day Webinar on "Cloud Computing & Job Placement" is an online event that is hosted by an organization/company and broadcast to a

select group of individuals through their computers via the internet. Cloud computing is the on-demand availability of computer system resources, especially data-storage and computing power, without direct active management by the user. A service for finding a suitable job for someone, especially a temporary job for a student or unemployed person: the agency offers training and job placement .

SEMINAR REPORT

One Day Webinar on "Cloud Computing and Job Placement" was arranged on 31/07/2020 through Google Meet Platform. Nearly 57 students benefitted with the Webinar. Cloud Computing has emerged as a key tech skill that companies are relying on in order to stay agile, responsive, and adaptive in the new environment.

Resource Person Mr.K.SETHURAMAN, PROJECT LEAD, L&T INFO TECH, CHENNAI discussed on the Job Placements and the requirements . The Seminar focused on the scope and designations in the field of Cloud Computing. Network and Cloud Architect, Cloud Network Engineer ,Computer Systems Analyst and Cloud Database Administrator etc., were the jobs cited during the session.

About the College

Bharath College of Science and Management affiliated to Bharathidasan University, Tiruchirappalli is functioning from the academic year 2000-2001. Bharath College is a self - financing college run by K. Nadimuthu Memorial Educational Trust and sanctioned by the Government of Tamilnadu vide G.O.No.168, Higher Education dt. 30.05.2000.

To promote patriotism in the young minds of our students, the college has been rightly named as Bharath College of Science and Management Our College functions with the mission of providing modern education to develop entrepreneurial skills among youths with the objective of "Be a Job Maker; Not a Job Seeker". The College offers 13 UG courses, 11 PG Courses, 4M.Phil., Courses, 2 Ph.D courses and 1 Diploma Course in new and emerging disciplines such as Hotel Management, Information Technology, Nutrition and Dietetics, Fashion Technology, Visual Communication, Computer Science , Literature,Business Administration and Commerce.

About the Department

The Department of Information Technology which was started in the year

2001 offers B.Sc and M.Sc Programs in Information Technology. The academic activities of the department are centered on teaching, seminar, workshops, etc. The department has a team of Qualified Teachers .The department has 200 Computer Systems with dedicated leased line Internet facility. Wi-Fi is also provided in the Campus. In addition to the general library, the department has a separate library. The department strives to impart knowledge and enlighten the students in all possible avenues. The department has produced top ranks in the university and also our students got placement in various companies.

Mission and Vision

Impart knowledge and enlighten the students in all avenues pertaining to computer science. Provide a firm foothold into the IT industry. Inculcate professional excellence logical thinking and analytical ability by giving exposures to application - oriented education. Focus on inculcating ethical value to the students

About the Workshop

Workshop on "UI & UX" is a design for websites which uses other inbuilt software, modules or features aimed at creating an environment for a website or web application user to be actively engaged

during visit or use as the case may be,thereby improving his or her user experience.

It is important for you to know your clients very well before building to help in your choice of contents,layouts,features and modules used to create an interactive look. Not doing this may result in designs without enough useful contents to serve visitors or users in response to their inputs or engagement efforts.

Programme schedule

Session1: 10.00AM to 11.00 AM

Break

Session2: 11.15AM to 2.00PM

WORKSHOP REPORT

Topic : UI & UX
Date : 28/01/2020
Resource Person : **Mr. Jeyaram**
Lecturer in Interactive Media Department,
ICAT Design & Media College,
Chennai.

Students attended : 65

The Workshop on UI & UX imparted interactive interfaces exploring how modern UX and UI theories can be used to enhance the user experience of archive.org, by producing interface designs and prototypes to test these theories. Adopting the role of a user interface (UI) and User experience (UX) designer, you have been asked to produce interactive Smart TV player interface and a corresponding Mobile/Tablet concept app for the Moving Image Archive section which will enhance the user experience."
