FIELD VISIT REPORT

A Complete report on industrial visit organized by Bharath College of Science and Management, for the students of Hotel Management (1st Year) in order to get practical knowledge.

DETAILS OF JOURNEY

Bharath College of Science and Management had organized an Field visit to Hotel Svatma on 05.11.2021.

The visit was organized by HOD of Hotel Management.

We started travelling from the college campus on 05.11.2021 at 10.00am.

Totally 101 students along with 2 faculty were there in the journey.

On the day of Field Visit, students were taken to Hotel. After the arrival at the hotel, the students Hospitality received warm greetings from the hotel authority. The General Manager of the Hotel welcomed them. An introduction session was held between the General Manager and the students to ease the relationship between students and authority. After the introduction period is over, students were taken to the various departments.

Located near the Thanjavur palace and the Big Temple, Svatma calls itself a luxurious heritage hotel, and in our opinion, that would be an apt categorization.

Svatma has 38 rooms in all, and 7 of those are in the heritage building. Each of these 38 is unique

Svatma has two restaurants, Aaharam and Palaharam. For starters, Svatma serves only vegetarian food.

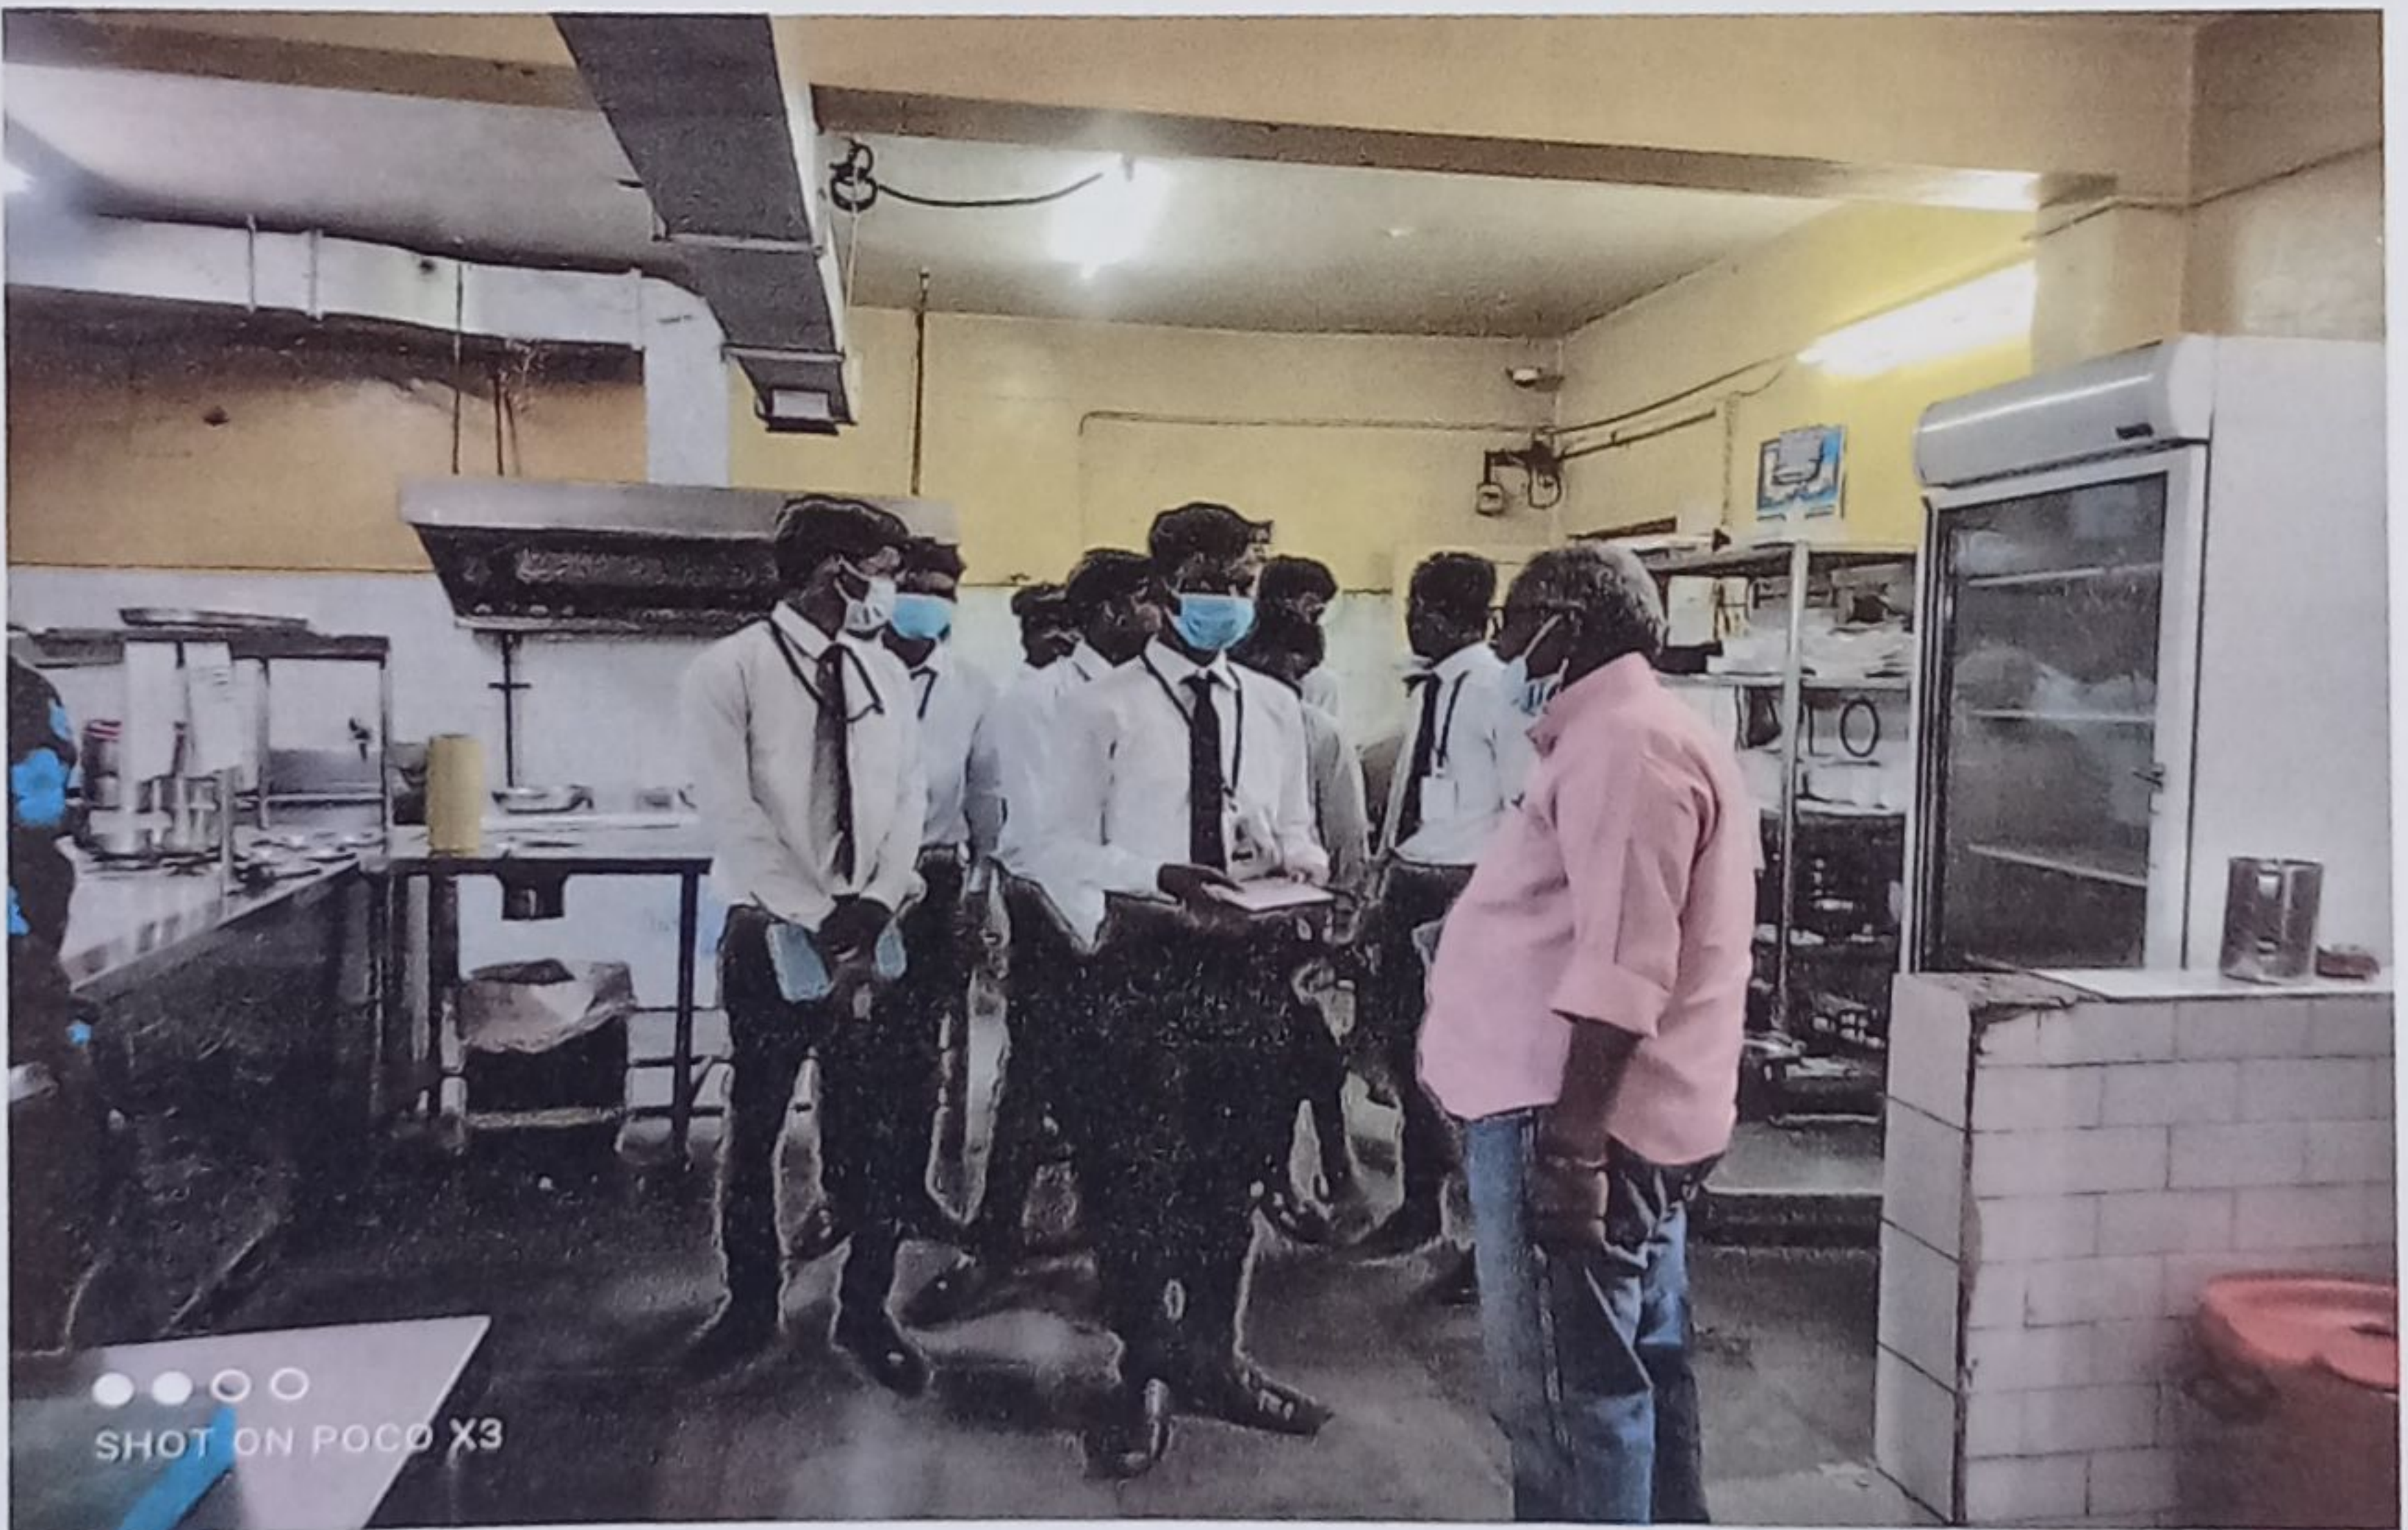

Go for a relaxing swim in their beautiful swimming pool or just get an oil leg massage done here. The sound of the flowing water will surely calm your senses.

The area by the swimming pool was by far our most favourite place to sit and relax during our stay there.

The spa at Svatma is perhaps the only place (as far as we know) which offers a musical therapy.
